It may be later than 2 -- from what I know of DTSC maybe as late as 4-5. Is that ok?

Rich --

Looks like we're on for 2-ish tomorrow (Thursday) for the conference call with DTSC re: PCB extraction/quantitation issues and DTSC's upcoming IRB review. I'll let you know when we have the final time set.

Thanks (as always!) for your help with this-
Kathy
